THE final and deepest cuts of all are now in force. It's a neglect of your pocketbook not to take advantage of such prices. Mingled with the fleeting Summer Goods are many new lots of sample lines that have just been sent us from our Eastern Importers and Manufacturers. These goods were bought at a sacrifice and in turn will be sacrificed by us. Don't trouble yourself trying to reason out how we can sell so cheap. The goods are here and they can be yours for less than any merchant in the United States owns regular, similar merchandise. We intend that the end of August shall see the end of our selling of Summer Stuffs. We don't intend to keep the goods under any circumstances. Below is a sample of how we are going to do it:

## A Fan Sale Tomorrow

This is a line of samples that Mr. Wallenstein picked up for almost a song. About 300 Fans in the lot and no two exactly alike. The New Empire Dainties, now so popular, are well represented in the line. Also French Cloth Fans, Spangled Fans, Hand Painted Fans, Lace Edge Fans, Gilt Edge Fans, White Hand Painted Gauge Fans, Embossed and Plain Sticks. These goods are now on display in our west window. Their actual values are 20c, 25c, 35c and 50c each. Tomorrow morning you can take your pick of the lot for

**ONLY 7 CENTS**

Final Call  
and Slaughter Sale of

## Shirt Waists.

On Tuesday Morning Next.

YOU ARE INVITED.

THE Capping Climax of all Shirt Waist Sales—the Final Sweep-out Reduction. There's about 200 Waists in the lot in Batistes, Organdies, Dimities, Percales, Etamines, and Penangues. They are all this season's styles—not a "chestnut" in the lot. Some are mussed and soiled from too much handling. Some are fly-specked. There are dozens in the lot that are as clean and fresh as when they first came from the factory. Some are detachable collars and cuffs, and some are not. Some are matched collars and others are white collars. They are the unsold portion from lines that we priced earlier in the season at \$1.00, \$1.25, \$1.50 and \$1.69. Former values make no difference to us. They all must go, and they will go next Tuesday, for we shall sell
